STEWARDSHIP OF
TIME AND TALENT

*Our Lady of Lourdes
4029 Frederica St.
Owensboro, KY 42301
Return Service Requested*

Greetings to you as parishioners of Our Lady of Lourdes Church.

The theme of our Stewardship this year is "Stewardship in Action." Hopefully when you see this year's video that theme will be obvious. Our goal in preparing this video is to have less speakers and more "action" of people using their time and talent in helping to build up the Body of Christ, the Church. I have always liked the words from the letter of St. James: "Faith without works is lifeless."

I think of the many and various ways that Stewardship is in action here at Our Lady of Lourdes. I think of those who steward their time and talent by serving as one of the ministers at Sunday Mass, those who help in the education/formation ministry, those who help with funerals and home/hospital visitation, the picnic, quilters, First Friday, and so many others. All total we have over fifty different ministries here at Lourdes where we can put our stewardship into action.

I have frequently said over the years that people would rather see a sermon than listen to one. That's what this video is all about. In a faith-filled way these people are walking sermons. I pray that they will be a witness to you. Hopefully they will help inspire all of us to consider how we might respond to that call to be people of action ourselves.

I ask that you give some prayerful consideration to put your stewardship into action as a parishioner of Our Lady of Lourdes. The prayer part of this is very important as it will help us to make a **conscious** decision about our stewardship of time and talent. I honestly believe that "it is only in giving that we receive."

Thank you for all that you have done and will continue to do in using your time and talent for our parish. May God bless you.
